(16) The U.S. (Tech) had separately instructed that cases relating to disforestment Notifications under Section 28 of the Mysore Forest Act, may await a policy decision to be taken in file No. AFD 52 FAF 71. A final decision has not yet been taken in that file. However, in this case, a disforestment notification was already issued in the past and the present draft at

AFD 79 FAF 70

pages 21 to 22 is only to correct the earlier notification. For orders whether this case may be processed or kept in await. After orders are passed on this point, file will be processed further after putting up a detailed note.

(18) In Govt. No. AFD 60 DST 57 dt. 1857-72, Govt. have ordered the release of an area of 1122 acres and 34 guntas for disforestment and surrender to the authorities

AFD 79 FAF 70

of the Dandeli Township for the purpose of this Township. In Govt. Notification of even No. dated 18-5-82 Govt. had also notified the disforestment of this area.

As per the report of the Dy. Comm., (19) Karwar, at page 2, the area was actually got measured through the Asstt. Supdt. of Land Records, Karwar, and as against Acres G. A. 1122-34-0 originally notified, it was found to be Acres G. A. 1119-19-0. Thus there was a decrease of A. G. A. 3-15-0. To rectify this, a draft Notification is

AFD 79 FAF 70

put up for approval at Sl. No: 8/ Pages 21 to 22. It has been scrutinized by L.D. also. The draft may issue

No.LND.II.10-SR/229(1) Karwar, 16-7-1969

Sir,

Subject:- Dandeli Notified Area:
Disforestment of 1119-19-0

Reference:-G.O.No.AFD-60 DST-57 dated - 18-5-1962 & notification of same No.and date.

In submitting herein the correspondence received under Kanara Forest Settlement Officer's No.FOR.SR.III/3-24 dated 14-4-1969, I have to report as under:

Government had in their Notification No. referred to above, disforested an area of 1122-34-0 of Forest land from various Survey Nos. of Dandeli, Kumbarkop and other villages for the purpose of Dandeli Town-ship. It is reported by the Forest Settlement Officer, Karwar that the past, draft notification was submitted before the area was submitted before the area was actually measured. The F.S.O. has got the area measured now through the Assistant Superintendent of Land Records, Karwar and has noticed that as against 1122-34-0 originally notified the area is found to be only 1119-19-0 acres. There is thus a decrease of an area of 3-15-0. In fact, the difference is in only in two Sy.Nos. viz.

S.No.	Area previously shown.	Area after measurement	Difference
Dandeli 4-A	471-10-0	468-13-0	2-37-0
" 7-A	230-4-0	229-26-0	0-18-0
	701-14-0	697-39-0	3-15-0

The defect could have been rectified by issue of an corrigendum. But on account of introduction of Consolidation Scheme in Haliyal Taluka, the original Survey Nos.have been included into Consolidation Blocks. As such, it has become necessary to issue a fresh notification covering all the Survey Nos. which comprised the area of 1122-34-0 previously (i.e. 1119-19-0 after measurement).

36

Requisite draft notifications have been got prepared by the Forest Settlement Officer, Kanara, Karwar and enclosed at pages 141 A to 141 E of the correspondence.

Government in the Agriculture and Forest Department may therefore kindly be moved to publish the ~~dx~~ notification in the Government Gazette and the correspondence returned to this Office for further action.

Yours faithfully,

for Deputy Commissioner, N.Kanara.

Through the Conservator of Forests, K.C., Dharwar, W.cs. and the Divisional Commissioner, Belgaum W.Rs.
